"It changes reflect our continuing commitment to live fuller in which we are using an equal voice to our guide. We are changing from a patronizing structure in one that works with students, families and change to student rights and responsibilities handbook.

restorative justice, workplace conflict resolution, ombuds) However, two of the most important elements are the ability to exchange views and the chance to shadow the pioneers in each of the above.

"I am going to talk about the prison system in America. It is a system that has been in existence for over 100 years. It was developed as a way to keep people in line and to control the population. The system is based on the idea of punishment, and it is designed to punish people for their crimes. The system is also based on the idea of rehabilitation, and it is designed to help people to become better citizens."

The Deep Dive offers a fresh look at Dalhousie University through the lens of Dr. Deep Saini diversity and inclusion today. Episode 3: Restorative Justice with Jennifer Llewellyn Holly Northam In
