Jeremy Scott

Jeremy Scott's Moschino line is known for its playful and irreverent designs. His creative vision is often inspired by pop culture, music, and his own personal experiences. Scott was a creative director for Moschino from 1998 to 2016, during which time he created innovative and bold collections that pushed the boundaries of fashion design. After leaving Moschino, Scott went on to launch his own line and continue to influence the fashion industry with his unique perspective.
