Teología sistemática pentecostal, revisada-Stanley M. Horton 2013-06-26 Este es más que una colección de pasajes bíblicos selectos. Este estudio evalúa la obra completa de Dios y analiza distintas perspectivas con puntos débiles y fuertes. Todo creyente de la Biblia descubría en esta obra un recurso confiable para comprender la fe cristiana.

Teología Sistemática Pentecostal-Stanley M. Horton 1999-05-01 Por que creemos en Dios? La Biblia lo dice asi y lo creemos. Ahora, veinte de los mas notables educadores pentecostales se han unido para presentar una renovada y magnifica defensa de la fe."

Systematic Theology-Stanley Horton 2011-08-22

Spirit and Power—William W. Menzies 2011-05-03 The time have long passed when Pentecostals were viewed as Protestantism's untouchables. Today, the shock waves from Azusa Street have influenced countless Evangelicals worldwide. But if dialogue between Pentecostals and Evangelicals has awakened within the latter a thirst for the power of God's Spirit, it has challenged Pentecostals to examine their theology more deeply in the light of his Word. Just how firm is the biblical foundation on which they stand? Spirit and Power provides a cutting-edge look at Pentecostal theology. It addresses the concern expressed by its authors and echoed throughout charismatic churches today: "Although our Pentecostal forefathers intuitively grasped the correlation between the reality they experienced and the promise of Acts 1:8, they did not always articulate their theology in a manner that was convincing to other believers committed to the authority of Scripture." In this new edition, the authors have revised and expanded their original work to reflect the progress of Pentecostal scholarship and the growing dialogue between Pentecostals and Evangelicals. The new preface and introduction address the Pentecostal doctrine that sets the new standard for Spirit-filled theology. Whatever your persuasion may be as a Christian, this book's thoughtfulness, balance, and biblical integrity will help you appreciate more fully the strengths of the Pentecostal stance. Laying the groundwork for an accurate understanding of Luke's writings in particular, the authors help you grasp the foundations of Pentecostal theology from the standpoints of history, hermeneutics, and exegesis. Then, in Part Two, they give you an in-depth look at specific Pentecostal concerns: the baptism of the Holy Spirit as a blessing subsequent to salvation, evidential tongues, signs and wonders, healing in the atonement, and more. You'll deepen your understanding of the basis for Pentecostal beliefs. And you'll gain a feel for the mutually beneficial dialogue that continues between Pentecostals and Evangelicals today.

Global Renewal Christianity—Vinson Synan 2016 This book gives an overview of one-hundred years of Pentecostal history in Latin America and addresses the move of the Holy Spirit in nations such as Brazil, Columbia, Argentina Guatemala, Costa Rica, Nicaragua, and Mexico, as well as the Caribbean.,

Teología sistemática– Raúl Zaldívar 2006-06-01 El mundo criano de habla hispana, aunque sin llegar a disfrutar de la amplia oferta del mercado anglosajón, ha tenido la suerte de contar, a lo largo de los últimos años, con excelentes traducciones de algunas de las mejores obras de Teología Sistemática publicadas en inglés: la de Charles Hodge (CLIE), la de Louis Berkhof (Libros Desafío) y la de Stanley M. Horton (VIDA) entre otras. Todas ellas provienen, sin embargo, de un contexto cultural ajeno, lo que ha motivado a que algunos afirmaran que los cristianos evangélicos latinoamericanos dependían, también en lo teológico, de los Estados Unidos, como meros centros de distribución de una teología traducida del inglés y empacada en una cultura que no era propia. Raúl Zaldívar deshace este estigma con la aportación de la primera Teología Sistemática escrita por un latinoamericano, desde una perspectiva latinoamericana, y con un enfoque latinoamericano. El propósito de esta obra es proporcionar a los lectores hispanos de habla hispana una Teología Sistemática que sea propia de la cultura latinoamericana. El contenido de la obra se divide en tres partes: I. Antropología, Hamartología, Soteriología, Escatología, Cristología, o Pneumatología, abordando, inter alia, en un análisis en el contexto de la revelación divina, temas como andantes en latinoamérica como el de la deuda externa, la corrupción, los problemas de violencia, el ajuste estructural económico. Su propósito está en establecer un puente entre la realidad latinoamericana y el texto bíblico, para hacer más viva y eficaz la Palabra de Dios. En lo que respecta a temas doctrinales en particular, no adopta un enfoque denominacional, antes bien, haciéndose eco del pluralismo teológico y litúrgico distintivamente evangélico, presenta el punto de vista de las diferentes Iglesias. Una obra totalmente novedosa, tan importante en su temática como elaborada en su contenido. Útil no tan solo como libro de texto de teología sino también como base para cursos de introducción al pensamiento cristiano.

Our Destiny-Stanley M. Horton 1996

Teología bíblica y sistemática: Myer Pearlman (2013:08-20) El libro Teología Bíblica y Sistemática, contiene un estudio sistemático de las Doctrinas Bíblicas fundamentales que todo pastor, maestro y creyente en general debe conocer. El gran teólogo Myer Pearlman, del siglo XX, analiza profundamente lo que la Biblia establece en temas como El hombre, el Pecado, la Expiación, entre otros, con la finalidad de formar en el lector una idea amplia de cada doctrina. Incluye: Capítulo 1: Escritura Capítulo 2: Dios Capítulo 3: Angeles Capítulo 4: El hombre Capítulo 5: El pecado Capítulo 6: El Señor Jesucristo Capítulo 7: La Expiación Capítulo 8: Salvación Capítulo 9: Sanidad divina Capítulo 10: Espíritu Santo Capítulo 11: La iglesia Capítulo 12: Los acontecimientos finales Capítulo 13: Preguntas de repaso Systematic Biblical Theology Biblical and Systematic Theology contains a systematic study of Biblical Doctrines, that every pastor, teacher and believer should know. The great theologian Myer Pearlman, of the 20th century, deeply analyzes what the Bible establishes in topics such as Man, Sin, Atonement, among others, in order to form in the reader a broad idea of each doctrine. It includes: Chapter 1: Writings Chapter 2: God Chapter 3: Angels Chapter 4: The Man Chapter 5: Sin Chapter 6: The Lord Jesus Christ Chapter 7: The Atonement Chapter 8: Salvation Chapter 9: Divine Healing Chapter 10: The Holy Spirit Chapter 11: The Church Chapter 12: The Final Events Chapter 13: Review Questions

Tactics—Gregory Koukl 2009 Tired of finding yourself flat-footed and intimidated in conversations? Want to increase your confidence and skill in discussions with family, friends, and coworkers? Gregory Koukl offers practical strategies to help you stay in the driver's seat as you maneuver comfortably and graciously in any conversation about your Christian convictions.

Pentecostal Theology-Wolfgang Vondey 2017-07-13 Winn of the Pneuma Book Award 2018, from The Society for Pentecostal Studies. Pentecostalism is the most rapidly growing branch of Christianity since the 20th century, yet it does not lend itself well to a singular doctrine and there is, therefore, no single comprehensive account of Pentecostal theology worldwide. In this volume, Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups. He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God. The book unfolds in two main parts illustrating the full gospel story and theology. Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology, formulate a Pentecostal theology of action, translate, apply, and exemplify Pentecostal practices and experiences, and integrate Pentecostal theology in the wider Christian tradition.

Systematic Theology—Charles Grandison Finney 2018-07-14 Written by a Presbyterian preacher in the 1800's this book is revered by some and considered heresy by others. The arguments given in Finney's various lectures will cause many to consider their own positions and seek to justify what they believe. Finney deals with many different subjects going from moral law, government, love, depravity and other diverse but important subjects. Regardless of what your own position on these subjects are, this work is a good masterpiece of religious thought but the ideas and reasons for Finney's arguments may leave theologians wondering if such thinking is something we should be keeping around.

A Igreja de Cristo e o Império do Mal (Livro de Apoio Adulto)-Douglas Baptista 2023-05-19 No livro de Apocalipse o termo "Babilônia" se refere a um império que tinha completo domínio global, bem como domínio sobre o ser humano. Esta obra do pastor Douglas Baptista mostra que o "espírito de Babilônia" atua livremente na pós-modernidade, exercendo nociva interferência na fé cristã. Além de mostrar essa preocupante realidade, procura também promover orientação e aconselhamento à Igreja.

Valores Cristãos—Douglas Baptista 2018-03-01 Neste novo século e milênio, os valores sólidos da moral e da ética judaico-cristã têm sido sistematicamente substituídos por um relativismo cultural cuja consequência é o esfaleamento das relações humanas. Venha nesta jornada com o pastor Douglas Baptista estudar e defender os valores cristãos nas questões dos Direitos Humanos, Aborto, Pena de Morte, Suicídio, Doação de Órgãos, sexualidade, finanças, etc., e juntos, enfrentar as questões morais de nosso tempo. Um Produto CPAD.

Theological Roots of Pentecostalism-Donald W. Dayton 1987 Explains how Pentecostalism grew out of Methodism and the nineteenth-century American holiness movement. ...A much needed tool. He makes it possible for us to see Pentecostals, so often dismissed as a fringe group, as intimately connected with the so-called mainstream of American religion. --THEOLOGY TODAY

The Reformed Pastor-Richard Baxter 1808

Ele nos ajuda primeiro—Valmir Nascimento A doutrina da graça Deus é um ponto seminal na teologia cristã, ocupando um lugar privilegiado na história do pensamento cristão em geral e no protestantismo em particular. Para além do aspecto cognitivo, o estudo desse ponto doutrinário evoca gratidão e esperança, na medida em que revela a face de um Deus bondoso e gracioso, que dispensa suas dádivas sobre a vida humana. É, por isso, um tema instigante e apaixonante, que nos conduz cada vez mais a chegarmos com mais confiança ao trono da graça, a fim de sermos ajudados (Hb 4.16). Nesta obra, o autor descortina um dos belos aspectos do favor imerecido de Deus: a graça preveniente. Trata-se de uma doutrina extraída das Escrituras que revela a forma graciosa do agir de Deus para a salvação do homem, mediante sua iniciativa e capacitação espiritual, para que o pecador se arrependa e se converta a Cristo. Com uma abordagem contundente e vigorosa, o autor resgata a historicidade do conceito da graça preveniente na história da tradição cristã, dando ênfase aos pais da igreja e à teologia de Jacó Arminio e João Wesley, enaltecendo a convicção bíblica e factual dos efeitos devastadores decorrentes da queda no pecado e da completa incapacidade do homem de conseguir o favor divino, seja presente, queror, ou fazer, por si mesmo, o que é realmente bom, necessitando para tanto da benevolência prévia e contínua de Deus. Além das abordagens histórica e doutrinária, o livro traz ainda um conteúdo bíblicamente consistente do Texto Sagrado, analisando hermenêuticamente diversas passagens das Escrituras sobre a graça preveniente.

16 - Evangelismo e Discipulado - Yves Marcel Garcia Um dos pontos críticos enfrentados pelos cristãos evangélicos no mundo de hoje está ligado a uma estratégia especial de evangelismo. O objetivo desta apostila é ajudar você a descobrir a estratégia evangelística de Jesus como estabelecida no Novo Testamento e como interpretada, estando usando como referência o livro, Plano mestre de evangelismo de Robert E. Coleman. Todo o recurso adquirido com este livro será investido no trabalho de evangelização e social da Missão Apostólica Sem Fronteiras, como: Plantação de Igrejas, Bíblias, Literaturas Cristãs, Cestas Básicas, Cursos para Comunidade, Casamentos Comunitários, Recuperação de Dependentes Químicos, entre outros.

O **Éthos Pentecostal na Esfera Pública**-Douglas Baptista 2023-05-01 A participação na esfera pública de cidadãos que professam sua fé é cada vez maior, porém não sem crítica de grupos laicistas e irreligiosos. Essa obra procura demonstrar que essa participação, em especial de pentecostais, no debate público é um direito que não deve ser cerceado em nome de visões equivocadas do que seja Estado laico. Com sólida fundamentação acadêmica, o autor apresenta, à luz da Declaração de Fé das Assembleias de Deus, a vitalidade da doutrina teológica institucional na formação do "éthos", isto é, da identidade pentecostal e demonstra sua influência na esfera pública

A Prova da Vossa Fé (Livro de Apoio Jovens)-Eduardo Leandro Alves 2023-08-01 Ao ler esta obra, você estará apto a responder o que é a fé, se a vida veio por acaso ou se Jesus é realmente Deus, entre outras questões de fé. Também poderá explicar que profecias não são contos de fadas, que milagres podem, sim, acontecer e que o mal é real, mas a salvação e a ressurreição também são. Esses e muitos outros temas atuais são abordados nesse livro, cuja compreensão é necessária para uma "boa defesa da fé".

Systematic Theology—Stanley M. Horton 1994 Twenty respected educators and authors examine the Pentecostal faith while addressing the strengths and weaknesses of various viewpoints. Chapters include: The Holy Trinity, The Saving Work

of Christ, The Baptism in the Holy Spirit, Divine Healing, God's Inspired Word, The One True God, Spiritual Gifts, and other areas.

Strange Fire—John MacArthur 2013-11-19 In Strange Fire, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

Major Bible Themes-Lewis Sperry Chafer 2010-12-21 In an age characterized by skepticism and ignorance of the Holy Scriptures, this timely volume clearly sets forth the biblical truths and teachings that long have been cherished by Christians. Virtually a classic for this century, Major Bible Themes includes chapters on doctrines that merit particular attention in the contemporary religious scene, such as the Holy Spirit, the nature of the Church, and the second coming of Christ. Designed for group and individual study, for pastors, laymen, and students, Major Bible Themes is an indispensable tool, providing the biblical basis for fifty-two doctrines, complete with topical and Scripture indexes. Questions for discussion and review follow each chapter. Whether your purpose is to explore Bible doctrines as a new Christian, to erase confusion stemming from conflicting views in the contemporary church, or to establish a stronger basis for witnessing to your beliefs, Major Bible Themes is essential for study and reference.

The journal of the rev. John Wesley-John Wesley 1827

The Gospel According to Jesus Christ: José Saramago 1994-09-28 A fictional account of the life of Christ: "illuminated by ferocious wit, gentle passion, and poetry"—from the Nobel Prize-winning author of *Skylight* (Los Angeles Times Book Review). For José Saramago, the life of Jesus Christ and the story of his Passion were things of this earth: a child crying, a cup of wind, the caress of a woman half asleep, the bleat of a goat or the bark of a dog, a prayer uttered in the grayish morning light. The Holy Family reflects the real complexities of any family, but this is realism filled with vision, dream, and omen. Saramago's deft psychological portrait of a savior who is at once the Son of God and a young man of this earth is an expert interweaving of poetry and irony, spirituality and irreverence. The result is nothing less than a brilliant skeptic's yrquest into the meaning of God and human existence. "Enough to assure [Saramago] a place in the universal library and in human memory."—*The Nation* "Fiction that engages the mind as well as the spirit."—*Kirkus Reviews* "Mixes magic, myth, and reality into a potent brew."—*Booklist* Praise for José Saramago "The greatest writer of our time."—*Chicago Tribune* "A literary master."—*The Boston Globe* "Saramago is the most tender of writers. . . With a clear-eyed and compassionate acknowledgment of things as they are, and a quality that can only be termed wisdom. We should be grateful when it is handed to us in such generous measure."—*The New York Times* "Saramago's fiction operates in a realm not far from fable: the territory of Kafka, Gogol, and Borges."—*Los Angeles Times*

Azusa Street-Frank Bartleman 1980 From the pen of John Bartleman, an early leader of the Pentecostal movement, we have an eyewitness account of the "latter rain" when Pentecost moved from California to Maine and back.

Christian Theology-Alister E. McGrath 2003-08 This book gives an accessible account of classical Greek history, from the aftermath of the Persian Wars in 478 bc to the death of Alexander the Great in 323 bc. The author describes the years which witnessed the flourishing of democracy in Athens; the establishment of the Athenian empire; the Peloponnesian war, which involved the whole Greek world; the development of Macedonian power under Philip II; and the conquests of Alexander the Great. His account combines narrative with analysis, and deals with major social, economic and cultural developments as well as political and military events. Rhodes details the evidence on which his narrative is based, which includes inscriptions, coins and material remains, and outlines the considerations which have to be borne in mind in using this evidence.*

Making Sense of the Bible-Wayne A. Grudem 2011-02-01 With a strong emphasis on the scriptural basis for each doctrine—what the whole Bible teaches us today about a particular topic; clear writing, with technical terms kept to a minimum; and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of the Bible* is required reading for understanding the relevant passages of Scripture. Topics include Canon of Scripture: the list of all books that belong in the Bible; Authority of Scripture: all words in Scripture are God's words because that is what the Bible claims for itself; Clarity of Scripture: the Bible is written so that its teachings are able to be understood by all who read it; Necessity of Scripture: the Bible is necessary for knowledge of the gospel; and Sufficiency of Scripture: Scripture contains all the words of God he intended his people to have. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of the Bible* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Rediscovering the Holy Spirit—Michael Horton 2017-04-25 For the Spirit, being somewhat forgotten is an occupational hazard. The Holy Spirit is so actively involved in our lives that we can take his presence for granted. As they say, familiarity breeds contempt. Just as we take breathing for granted, we can take the Holy Spirit for granted simply because we constantly depend on him. Like the cane that soon feels like an extension of the blind man's own body, we too easily begin to think of the Holy Spirit as an extension of ourselves. Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17. The Spirit's work is as essential as the Father's and the Son's, yet the Spirit's work is always directed to the person and work of Christ. In fact, the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ. The Holy Spirit is the person of the Trinity who brings the work of the Father, in the Son, to completion. In everything that the Truene God performs, this perfecting work is characteristic of the Spirit. In *Rediscovering the Holy Spirit*, author, pastor, and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit, showing that the work of God's Spirit is far more ordinary and common than we realize. Horton argues that we need to take a step back every now and again to focus on the Spirit himself—his person and work—in order to recognize him as someone other than Jesus or ourselves, much less something in creation. Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives.

Introducción a la teología cristiana—Justo L. Gonzalez 2003 Un clara, concisa y atrayente introducción a un campo que esta regresando una vez mas, especialmente entre los laicos comprometidos con el renovado interés en el crecimiento espiritual dentro del contexto de una tradición eclesiástica. Como historiadores del cristianismo, los autores de este libro ofrecen una introducción a las doctrinas cristianas tradicionales. Escrito en un estilo claro directo, este libro presenta una reseña de las raíces, los contextos particulares, y los entendimientos doctrinales de temas como la teología, Dios, el ser humano, Jesucristo, la iglesia, y la esperanza.

O **Espirito** e a **Palavra**—Gutierrez Fernandes Siqueira 2019-08-07 Quais são os grandes princípios que guiam a interpretação das Escrituras dentro do pentecostalismo? Como a forma que os pentecostais leem as Sagradas Letras moldam a sua visão política, ética e social? Nesta necessária obra, Gutierrez Siqueira, ao descobrir com a clareza e o didatismo habituais sobre como os pentecostais interpretam as Sagradas Escrituras, especialmente o pentecostalismo de matriz assembleiana, faz um abrangente relato acerca da Hermenêutica Pentecostal, sua principais características e como ela dialoga com a Bíblia, com outras hermenêuticas e teologias, indo da neopentecostal à pública.

Politics - According to the Bible-Wayne A. Grudem (2010-09-28) A variety of perspectives exist within the Christian community when it comes to political issues and political involvement. This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life so Christians should be involved in political issues. In brief, this is an analysis of conservative and liberal plans to do good for the nation, evaluated in light of the Bible and common sense. In this ground-breaking book, recognized evangelical Bible professor Wayne Grudem rejects five mistaken views about Christian influence on politics: (1) "compel religion," (2) "exclude religion," (3) "all government is demonic," (4) "do evangelism, not politics," and (5) "do politics, not evangelism." He proposes a better alternative: (6) "significant Christian influence on government." Then he explains the Bible's teachings about the purpose of civil government and the characteristics of good or bad government. Does the Bible support some form of democracy? Should judges and the courts hold the ultimate power in a nation? With respect to specific political issues, Grudem argues that most people's political views depend on deep-seated assumptions about several basic moral and even theological questions, such as whether God exists, whether absolute moral standards can be known, whether there is good and evil in each person's heart, whether people should be accountable for their good and bad choices, whether property should belong to individuals or to society, and whether the purpose of the earth's resources is to bring benefit to mankind. After addressing these foundational questions, Grudem provides a thoughtful, carefully-reasoned analysis of over fifty specific issues dealing with the protection of life, marriage, the family and children, economic issues and taxation, the environment, national defense, relationships to other nations, freedom of speech and religion, quotas, and special interests. He makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.

Baptism and Fullness-John Stott 2006-11-10 The Holy Spirit continues to be at work around the world, yet much confusion and controversy remain regarding the Holy Spirit's activity. In this classic study, John Stott provides clear biblical exposition on the promise, the fruit, and the gifts of the Holy Spirit, expanding on the nature of "the baptism of the Spirit" and whether certain spiritual experiences should be normative for all Christians.

How to Prepare Bible Messages-James Braga 2005-07-01 Give Your Best Sermon Ever—Every Time Newly edited for today's readers, this time-tested book combines recognized public speaking techniques with proven theories of preaching to equip you for the pulpit. Author James Braga provides pastors and message-givers anywhere in ministry with logical, step-by-step guidance to preparing and delivering effective sermons. Each chapter thoroughly defines and describes each critical component of a sermon, from the introduction to illustrations and the conclusion. 35th Anniversary Edition - Updated for the 21st Century! A How-To That Delivers Since 1969, How to Prepare Bible Messages has been a pastor's most trusted source for preparing and delivering sermons that change lives. And for good reason, James Braga's clear and logical method combines effective techniques for public speaking with time-tested theories of teaching. His instructions are so simple even a novice can follow them. From the title to the conclusion and the lessons in between, Braga leaves no question unanswered. How to Prepare Bible Messages is a recognized classic—and your key to powerfully conveying God's Word to a hungry people! Story Behind the Book When this book was originally published in 1969, James Braga understood that in order for God's Word to impact His sheep in a life-changing way, the messenger had to do his job exceedingly well. Now, more than thirty years later, the guidance Braga provides pastors, youth leaders, and speakers of all kinds for preparing and delivering effective Bible messages stands stronger than ever. Time-tested and true, his words provide insight, guidance, and tangible steps for answering God's call to deliver His message with excellence.

What the Bible Says about the Holy Spirit-Stanley M. Horton 2005 Goes through the Bible book by book to provide a complete look at what the Bible teaches about the Holy Spirit and His work. Includes subject and Scripture indexes.

The Gospel According to Paul: John F. MacArthur 2017-04-04 From Bible teacher John MacArthur, a revelatory exploration of what the apostle Paul actually taught about the Good News of Jesus. The apostle Paul penned a number of very concise, focused passages in his letters to the early church that summarize the gospel message in just a few well-chosen words. Each of these key texts has a unique emphasis highlighting some essential aspect of the Good News of Jesus Christ. The chapters in this revelatory new book closely examine those vital gospel texts, one verse at a time. John MacArthur, host of the popular media ministry Grace to You, tackles such questions as: What is the gospel? What are the essential elements of the message? How can we be certain we have it right? And how should Christians be proclaiming the Good News to the world? As always, the answers John MacArthur gives are clear, compelling, well-reasoned, easy to grasp, and above all, thoroughly biblical. The Gospel According to Paul is written in a style that is easily accessible to lay people, including those who know very little about the Bible, while being of great value to seasoned pastors and experienced ministers. The Gospel According to Paul is the third in a series of books on the gospel by John MacArthur including - The Gospel According to Jesus and The Gospel According to the Apostles. The Gospel According to Paul is also available in Spanish, Evangelio según Pablo.

Prayer—Timothy Keller 2014-11-04 Renowned pastor and New York Times bestselling author of *The Prodigal Prophet* Timothy Keller explores the power of prayer. Christians are taught in their churches and schools that prayer is the most powerful way to experience God. But few receive instruction or guidance in how to make prayer genuinely meaningful. In *Prayer*, renowned pastor Timothy Keller delves into the many facets of this everyday act. With his trademark insights and energy, Keller offers biblical guidance as well as specific prayers for certain situations, such as dealing with grief, loss, love, and forgiveness. He discusses ways to make prayers more personal and powerful, and how to establish a practice of prayer that works for each reader. Dr. Keller's previous books have sold more than one million copies. His Redeemer Presbyterian Church is not only a major presence in his home base of New York, it has also helped to launch more than two hundred fifty other churches in forty-eight cities around the world. His teachings have already helped millions, the majority of whom pray regularly. And with *Prayer*, he'll show them how to find a deeper connection with God.

The One True God-Paul David Washer 2009-01-01 This book is essentially bound as a Wire-O bound journal, with a hardback cover wrapping around the entire book, even the spine. This keeps the book in good shape for a long time, and also provides for optimum usability. The One True God is a unique kind of workbook, intending not just to teach truth but to lead to an encounter with the living God. Beneath that goal the book aims to ground believers in orthodox Christian theology and the actual contents of the Bible. Students are encouraged to thoughtfully draw conclusions from the Scriptures rather than to merely absorb the principles, inferences, and illustrations set before them by the author. For this reason the book does not include such material and instead focuses on digesting the Scriptures directly. Through God's own words and under various systematic headings the book unfolds the nature of God. In this way the reader is set on a firm foundation and will readily perceive the centrality and high authority of biblical doctrine within the Christian life. It is the author's conviction that the study of doctrine is both an intellectual and devotional discipline. Therefore students are guided throughout the study to think through and apply the truths they learn, meditating on the demands of Scripture for their heart and mind. The book puts us squarely in the middle of the material and demands we give searching thought to how we will live before such a God. This workbook is especially suited for the following contexts: (1) doctrinal training for new converts; (2) college and adult group Bible studies; (3) private study; (4) Christian or home school curriculum; (5) Sunday school material; (6) an aid to parents in teaching the Word of God to their children.

The Story of the Christian Church-Jesse Lyman Hurlbut 2016-03-26 Dive into the epic saga of faith, courage, and transformation that spans centuries—the story of the Christian Church. In this captivating narrative, Jesse Lyman Hurlbut weaves together the threads of history, theology, and human endeavor to illuminate the remarkable journey of Christianity. From the humble beginnings of a small band of disciples in Jerusalem to the global movement that shapes cultures and

hearts today, The Story of the Christian Church unfolds with vivid detail. Hurlbut invites you to witness the struggles, triumphs, and pivotal moments that shaped the Church's destiny.

Verdades Fundamentales-Floyd C. Woodworth, Jr. 2013-03-14

Early Church History to the Death of Constantine-Edward Backhouse 2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public.
