Refusing to adhere to any one position, the editors provide an unbiased account of contemporary marriage and family. H. ELIZABETH PETERS and CLAIRE M. KAMP DUSH As the title suggests, a central theme of the book is marriage and family: perspectives and complexities. Diverse values for 50-70 year-olds are the highest they've been, having more than doubled since 1990. As financially independent people live into their 100s, many are taking their marriages off life support. A divorce trend that may reshape marriage forever. Annabel Dumbell, managing director of litigation and dispute management for EMEA North at Accenture Legal, talks about her life and diversity work in the legal profession ahead of judging GLP's first Women in Partnership: EMEA Awards. As a profession, we need to go into schools and encourage more people to follow this path. While I knew committed couples consisting of two men or two women, I thought that marriage should maintain its traditional definition – between man and woman. But I was wrong. However controversial this issue is, I believe we should not allow freedom and family to go at odds with each other. My fellow republicans should pass law to protect same-sex marriage. Despite Southeast Asia's rich ethnic and cultural diversity, there are shared values throughout the region. Many of these shared values inform family life, marriage, and divorce. Southeast Asians place great importance on family and marriage: the benefits of establishing goals. With a marriage and family therapy degree, you'll help others find hope for today—and wholeness that lasts a lifetime. Transformation starts here. In Bethel's M.A. in Marriage and Family Therapy program, you'll learn how to identify and intervene with family problems and life transitions. HDB should allow singles to buy BTO at 28 & offer housing grants: WP MP Louis Chua. Rachel Lindsay doesn't need the spotlight to be happy. She told The List about post-'Bachelor' life and how she exercises self-care. For freedom and family, my fellow republicans should pass law to protect same-sex marriage. Despite Southeast Asia's rich ethnic and cultural diversity, there are shared values throughout the region. Many of these shared values inform family life, marriage, and divorce. Southeast Asians place great importance on family and marriage: the benefits of establishing goals.
